

PRODUCT END-OF-LIFE ANNOUNCEMENT

The Product EOL Announcement signifies that a product series has entered the final phase of the Cattron Product Life Cycle and serves as notice of product termination per the Cattron End-of-Life (EOL) policy.

Cattron announces the End-of-Life phases for the following product series.

CP800	CP800 Control Panel Series
CP900	CP900 Control Panel Series

EOL TIMELINE

The CP800 and CP900 series will be superseded by the more advanced CP750-E (Enhanced) series, providing the same control features plus new enhanced features and larger color display.

Cattron’s aim to provide the best available products, these control panels will be phased out according to the timeline below

	EOL Announcement	Last Date to Order	Last Date to Ship	Last Date for Service
Existing Customers	01-30-2023	03-31-2023	05-31-2023	05-31-2026
New Customers		03-31-2023	05-31-2023	05-31-2026

RECOMMENDED PRODUCTS

There are many other Cattron CANplus products that may meet your needs, most notably CP750-E, and CP1000 control panels. Cattron will be happy to put a Territory Sales Manager or one of our Global Customer Support Team in touch, to assist you with finding the best alternate product for your application. We also invite you to evaluate other Cattron products by reviewing our website. Some of the alternative Cattron products are listed in the table below.
